

The Battalion Staff shares Thompson Barracks with the Band and oversees the day-to-day operations of the Battalion. Supervising everything from supplies and cadets' records to formations, the Battalion Staff is comprised of the leaders of the Battalion and provides the solutions to many problems. As the Adjutant, Damon Edmondson, put it, "It's a tough job, but somebody has to do it!" And as the Supply Officer, H.R. Goff, says, "We work hard, but we have our share of fun." And that sums up the Staff, a bunch of hard workers and good friends.
