

A Chance to Learn

The **Adjutant** and the **Excalibur** began the year with new advisers and mostly inexperienced staffs. The challenges have been both exciting and frustrating. The most difficult (read **impossible**) task: Meeting deadlines. The two most frequent comments: "So **that's** how you do it!" ... and ... "Just wait til next year!"

The **Adjutant** staff looking over the latest copy of the cadet weekly newspaper: Capt. Sloan, adviser, with staff members Robbie Mosier, Fryar, Stokes, Rogers, Gilson, Houghton, and Reinman.

Ian Osborne (right) can't believe his **Excalibur** photos actually came out. Chuck Mosier (left) practices the fine (and endless) art of drawing layouts.
