

The Key Club: A Chance to Serve

The Key Club, sponsored by Kiwanis, was chartered at CMA two years ago. Through the strong leadership offered by Kiwanis and the excellent program of activities, the Key Club has become a dynamic force at CMA and in the community. The group has sponsored a campus blood drive each year, has provided litter patrol for the section of highway in front of the campus, and has helped out in numerous other community projects. In addition, cadets have attended national and international conferences sponsored by the organization. This year Cadet Gary Spencer is serving as Lieutenant Governor of Key Club's multistate region to which CMA belongs.

Key Club members assemble with their adviser, Capt. Clamp. First Row: Whisenhunt, Goff, Doss, Hayes, Spencer, Osborne. Second Row: Davidson, Carter, Witherspoon, Markolf, Latture, Rowe, Capt. Clamp, Stokes, Rogers, Lathan, Sealey, Mosier, McDaniel.

Cadet Gary Spencer is installed as Lieutenant Governor at the Key Club's Greensboro conference.

Mr. Gene McCaskill of Camden has been instrumental in getting CMA's Key Club off to a strong start and keeping it involved in local affairs.
