

The Supply Room Staff, under the supervision of LTC Mowe, maintains a stock of all uniform items required by cadets. The number of separate items mounts into the thousands, creating quite a job for those involved. Pictured are: MS Ware, JP Smith, LTC Mowe, SM Kirvan, PR Gunter.

The Company Clerks, supervised by LTC Woodmansee, maintain up-to-date records of merits and demerits for all cadets. The job requires long hours, a careful attention to detail, and a willingness to deal patiently with questions and complaints. Pictured are: PJ Cosmopoulos, JT Brayton, CJ Reinman, and JT Rhyne, with LTC Woodmansee.

The Laundry Staff is responsible for the collection and distribution of cadet laundry. Twice a week laundry is sent out and returned. The staff must see that laundry is clearly marked, properly prepared for sending out, and picked up in a timely way from the laundry room. Pictured are JM Doss, LTC Mowe, supervisor, and PR Gunter.

The Armory Staff must securely store and account for all cadet rifles. Weapons are kept locked in the armory at all times except when being used in drill or parade or when being cleaned. Armory staff members are: CS Mobley, CK Blanton, MB Tabor, and BO Koonce.
