

Prepare for Inspection! Cadet LTC Ian Osborne receives the report from 1LT Jeff LeVine as the battalion awaits inspection.

Trying out for the Raider Team, cadets follow the pace set by LTC Cook.

Keep Pushing!

Did it surprise you to learn that military life is not all glory and fancy uniforms? It takes a lot of hard work and close attention to detail to succeed in the military, a fact that CMA cadets have to face from their first day on campus. Polishing brass, cleaning your rifle, sweeping the hall, making your bed, preparing for inspection . . . it never stops! And if the job is not done right, someone is always there to tell you about it. Unsat! Unprepared! Failure to Comply! But eventually, finally, things begin to come together, and the results make the effort seem worth it.

Bus drivers Allen Watford, Chris Blanton, Bret Burnikel, and Tracy Sanders know what it takes to keep CMA on the move.
