

JV's and 7/8th graders finish strong

If the JV's could have gotten themselves together a little sooner, they could have had an undefeated season. Maybe it took the first pounding by Hammond to get their thinking straight. At any rate, they went on to build an outstanding 4-2 season record.

The team pulled out a 2-point win in overtime.

The 7/8th graders played only four games, losing two, tying one and winning one, but the last game, against Heathwood Hall, made it all worthwhile.

JV's gather before Thomas Sumter game.

7/8th tie 1, win 1
