

*Stuck in a rut?  
Try some of CMA's*

## ***Activities***

As most cadets discover, there is something at CMA for everyone. The problem is finding the time to work in all the things there are to do. Two of the most popular groups, the Key Club and the Fellowship of Christian Athletes, have been on campus for only a couple of years; others like Delta Kappa Sigma and the Adjutant and Excalibur staffs go back to the first years of the school. All of them offer ways to expand horizons and to grow.

**At weekend retreat**, FCA member Jason Joseph checks his Bible for a breakfast scripture reading.
