

B company

ALL FOR ONE, ONE FOR ALL

The well known "Three Musketeers" motto stated above seems apt for Bravo Company this year. Company Commander Billy Ray Dial commented: "Things were a little shakey at the beginning of the year, but our guys have learned to throw personal feelings aside for the benefit of camaraderie. Also, we have concentrated on academics and have a number of really good students in our company." Honor student James Burns expressed his feelings: "Everybody has learned that you can't be selfish when working together in a group such as ours. Instead, we are working hard for each other."
