

Band Company

The Best in Pride and Spirit, '91-'92

With great improvement and much effort, Band Company is striving toward the title of Honor Company, 1992. This has been a year of achievement. The band received a Letter of Appreciation for their performances at the First ROTC Region Ranger Challenge. Other appearances were in the Christmas Day Parade in Columbia and the local Veterans Day Ceremony, in addition to their fine performances this year in our own dress parades. According to CPT de Montfort, CO, "We owe a great deal to Master Chief Boyer, Band Director, and to LTC Mowe, Tactical Officer, whose leadership and encouragement have helped us move closer to our goals in 1992. Almost everyone agrees that this is one of the best bands that CMA has ever had."

This year the band has received many compliments from parents, students, and alumni for its spirited performances in dress parades and for its very noticeably expanded repertory.

CPT de Montfort, CM Morrison, DN Sanderson, and SR McDaniels provide the percussion as the band strikes up an air.
