Highlights

The golf team had an interesting season in 1992, going 7-3 with only one returning player from last year's team. The Spartans participated in conference and state championship playoffs.

With three experienced players returning, next year looks very promising. The Spartans are also getting the services of an outstanding transfer student.

Monty Childers (shown at left) played in the number one position this year. In addition to receiving the Coach's Award, he was named Most Valuable Player.

Golf Team: Chitwood, Lamar, Burns, Lopez. Back Row: Childers, Coach Mobley, Powell, Dietmeyer.

Most Valuable Player in 1992, Hast was always in the middle of the action. Here he intercepts again, to the opposing team's dismay.
