

DEVELOPING OUTSTANDING YOUNG LEADERS

CMA TACTICAL MISSION

The mission of CMA's Department of Tactics is to develop within the Corps of Cadets those qualities and attributes of leadership with emphasis on duty, integrity, morality, discipline, and loyalty. From the most mundane to the absolutely critical jobs, cadets learn a sense of obligation that motivates them to do their very best. The process of developing a sense of duty comes from an environment that makes it clear to cadets what is expected of them, fosters progressive growth and maturity, and exposes them to role models who demonstrate exemplary and mature commitment and responsibility. CMA is fortunate to have these role models in its faculty and staff. Given CMA's outstanding environment and good, hard work, all cadets can thrive, grow, and develop into outstanding young leaders.
