

# C Company

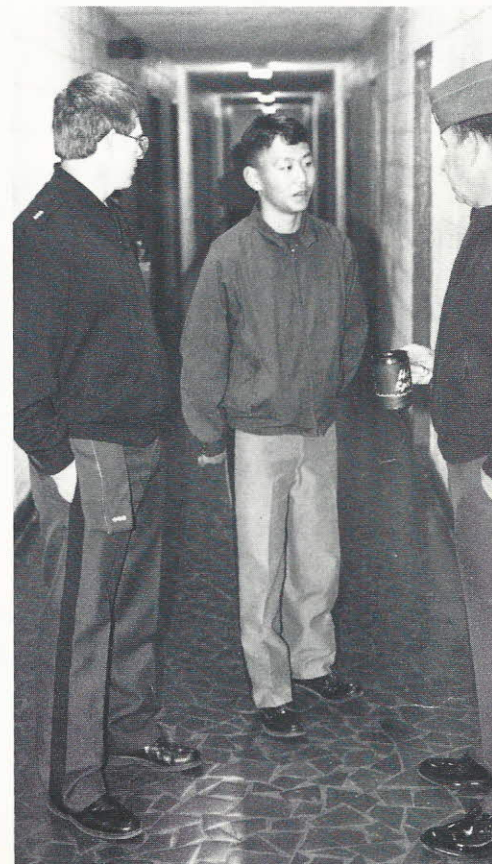

Charlie Company has enjoyed stability this year under the steady influence of Company Commander Eric Avant, who has held the reins tightly with good results. According to CPT Avant, "We try to keep up grades, participate in sports, and excel in military competitions. I think our strong points are military drills and the interesting mix of personalities we have in the company. We may be unique individuals, but we can work together to get the job done." As always, being named Honor Company is C Company's ultimate goal.
