

Ricardo Priester leaps high to can two points off the glass.

VARSITY BASKETBALL

The Varsity Basketball team wound up the 1993 regular season in a bid to repeat as conference champions. The Spartans finished in a tie for first place. They also ended regular season play ranked number 3 in the state, having placed as high as number 1 for a while. This season the Spartans featured an exciting brand of basketball sparked by a tough defense and the one-two scoring punch of Ricardo Priester, ranked number 4 in the state, and Wyatt Durette, ranked number 17.

Wyatt Durette sets to launch a long one from the top of the circle.

“This team has played at or near the top of their ability all season long. They have never let up.”

— Coach Boland

As Mauffray and Pritchard await the outcome, Durette lofts a floater from the foul line.
