

WRESTLING

In 1992 wrestling was a first year excursion for many team members, including the coach. In most matches the Spartans competed against experienced upperclassmen. Individual matches spoke well of the cadets' determination. Cadets with outstanding performances were Chris Dunn in CMA vs. NCHS at home and Eric Barker in CMA vs. NCHS away. Every wrestler that participated improved during the season. The Spartans were "gutsy" and gave their all. Spartan sportsmanship at dual meets was beyond reproach.

Looking for an opening, Silva faces off against his opponent.

Harman uses a "banana split" to make his opponent sweat.

Hamrick uses a strong arm bar that has his man in a real bind.

Overpowering his adversary with a quick flip Jenkins goes for the pin.
