

SOCCER

Hagen and Spence converge for an interception before the ball reaches midfield.

Voted Best Midfielder in 1993, Wyatt Durette comes down hard on this goalie.

As the defender flinches, David Hast executes another successful scoring attempt. Most Valuable Player for the Spartans, he was the top scorer in South Carolina.

Winning 13 games and losing only 4, the 1993 Spartans compiled the best record of any CMA soccer team in history. Led by Co-captains David Hast and Joey Lockwood, the team played consistent soccer throughout the season, and their record provided a fitting end to the David Hast era. David finished as the state scoring leader (50) and established the single season and career marks (83) for goals scored at CMA. Highlights of the season were the win over number 1 Andrew Jackson, with Hast scoring 4 goals, and the win in the second game against Thomas Sumter with Joey Lockwood and James Kemmerlin (Coach's Award) making the big plays.

Showing the form that made him the defensive player of the year, Joey Lockwood makes a spectacular save in a game against Ben Lippen.

13-4
