A consistent Spartan performer, senior David Cook plays one of his last matches for CMA.

Although the overall team record does not reflect a successful season, the Spartans were much improved from last year. The return of four starters — Thomas Offill, Ed Brantley, David Cook, and Ryan Tomlinson — helped considerably, but the addition of new Spartans Jason Crenshaw (number 1 seed) and Michael Uehling (number 3 seed) makes next year's outlook even brighter. In end-of-the-season action, Thomas Offill advanced to the semi-final round in the conference tournament at Asheville School.
