## Redefining Military

With a hundred years of military tradition behind it, Camden Military Academy does not need to sound its trumpet very loudly. For over twenty years the JROTC Unit has been accorded the designation "Honor Unit with Distinction." The philosophy at CMA is that military training is a valuable complement to the classroom, instilling discipline, order, teamwork, and self-respect. The military is the ingredient that completes the molding of the whole man.

LTC Stephen F. Mowe, Commandant of Cadets, served five years as Assistant Commandant before being appointed to his present position. He is a graduate of Wentworth Military Academy, Murray State University, and holds a master's degree from Georgia State University.
