

Farris Parker, Most Valuable Defensive Back, moves in to block as Ceasar Wright dashes around the right side.

# Champions Again

Owing to inexperience and a lack of veteran players, there were some serious questions regarding the success of the 1993 Spartan Varsity. But as the season rolled along, the Spartans picked up the pace. The seniors provided solid leadership while the younger players progressed nicely. The team really jelled in the Thomas Sumter game, which Coach Boland calls "the best game we played all year long."

The Spartans went on to repeat as conference champions, winning six out of eight games and in the process defeating archrival River-

side 22 to 20.

Carrying the offensive load were Ceasar Wright, Alim Starks, Lynard Gardner, Ron Tanner, and Josh Pressley. Walter Evans was a reliable center. Outstanding on defense were Farris Parker, Jason Smith, Michael Uehling, Jason Crenshaw, Grover Phillips, Alim Starks, and Lynard Gardner.

Making the All-Area Team were Wright, Tanner, Gardner, Parker, Starks, and Crenshaw.

With eleven touchdowns to his credit, Ceasar Wright was the leading scorer in the conference and the second leading rusher.
