

# B Team Football

For the 1993 season the seventh and eighth grade and JV teams were combined into a single **B** team concept. This year's team won two and lost four games during the season. The losses in two of the games were by two or fewer points. Two games were lost to Heathwood Hall and one to Hammond Academy. The Spartans split games with Thomas Sumter and won a single face off with Cardinal Newman. The team had five outstanding and supportive members: AA Ross, JM Faulkner, CL Mackerson, JA Mork, and SJ Palazzo. Four of these players moved up to the varsity and helped win a conference championship.
