All twenty-five members of this year's Spartan Wrestling Team made solid contributions to its successes. Highlights included close team victories over Providence Day and Charlotte Latin at home and two individual State Championships, both won by sophomores: Kevin Akridge at 119 pounds and Michael Uehling at 189. Also, junior Mike Silva and senior Allen Duckett posted outstanding records of 8-5 and 12-2, respectively.

Having ended the regular season with five wins against three losses, the team finished in fifth place at this year's state meet, beating out such teams as Raleigh Ravenscroft, Charlotte Christian, Asheville School, and Forsythe Country Day. This year's team graduates only four juniors. Next year we hope to build on youth and experience, striving towards a team state championship.

Inflicting great pain, Silva conquers his opponent by executing the very difficult-to-perform Banana Split.
