Redefining Activities

In addition to the numerous clubs and organizations for which there is a need or a demand, Camden Military Academy offers intramural opportunities in virtually every popular sport. Even organized video games have been sponsored, but the favorite sports of CMA cadets are those that involve physical exertion and competition. Recent additions are bowling, rollerblade hockey, and art. The Academy will continue to evaluate its activities program to make certain that it meets the needs of all cadets.

Yearbook staff members Cloudt, Smith, Hinson, and Greenberg work diligently to meet the January deadline.
