

Cadets See Mexican Ballet

For many years field trips have been an important aspect of education at CMA. In November CPT Cerezo, Spanish instructor, sponsored a trip for Spanish students to see the Mexican Folklore Ballet at the Columbia Township auditorium. This troupe of talented young performers presented traditional folk music and dances of Mexico in an exciting, fast-paced format and a dazzling display of colorful costumes that the cadets found highly entertaining. All came away from the experience with a greater appreciation for the culture of our southern neighbor.

Upon arriving at the Township, CPT Cerezo talks with Jason Smith as Pick, Judkins, and Chambers survey the situation.

Waiting for the doors to open, Reavis, Freedland, and Crowell find convenient seats. Chambers and others are content to stand.

Walker, Silva, Pitts, and Gibson file up the steps.

Heading toward their seats are Goebel, King, Schils, and JK Mitchell.
