

# B Company

Bravo Company has enjoyed stability this year under the steady influence of CPT Hesham Kamal, company commander, platoon leaders Key and Gardner, and 1SGT Pressley. The company's biggest supporter is LTC Mowe, tactical officer, who is always behind us and after us to do our best. B Company's goals this year include winning SMI's and parades, placing the most cadets on Deans and Honors, and having the best study halls in the battalion. As always, the ultimate goal is to be Honor Company. Bravo is also noted for its athletics, having won most intramurals over the past three years and boasting the most cadets on the football, soccer, and wrestling teams. After a slow start, B Company has become one big family, with everyone helping and contributing where needed. When the going gets rough, we give one another a pat on the back and onward we go.
