

# JV Basketball

The 1995 Spartan JV Basketball Team cannot be judged solely by its record. The team started the season with very little practice and shared the gymnasium with both the wrestling and varsity basketball teams.

In spite of these obstacles, they worked hard and played with heart. Led by top scorer BJ Gibson — with Moore, Phillips-Kow, RL Chambers, and Orozco in strong supporting roles — the JV's were out-classed in only two games and finished the season on a strong note with two close, hard-fought contests.

The 1995 Spartan JV's have much to be proud of and will send up some able young men to help the varsity in 1996.
