

Band & Staff Company

A New Look

Band Company (as it was known formerly) has made a major change this year. Through an important organizational shift, the company is now known as Band and Staff. In the past, staff has been given little recognition; but under the leadership of CPT Benji Newberry, CO, 2LT Todd Masi, 2LT Andy Black, and 1SGT Ken Cloudt, staff is now getting the attention it deserves.

“Much credit is due Major Ron ‘Stand by’ Horn, our new tac officer,” says CPT Newberry. “His new ideas and leadership have helped this company greatly.”

Company officers are confident that when the seniors leave this year, there will remain a core of strong leadership to keep Band and Staff headed in the right direction. “We have been through many positive changes this year,” CPT Newberry observes, “and people are proud to be in Band and Staff. The company has the potential to be even better next year.”
