

A Company

Striving to Be the Best

Alpha Company's traditions include waking up to merry military melodies, keeping the barracks spotless, high ratings on study halls, winning military competitions, and earning high grades. As Alpha cadets say, "We want to be the best dressed, the best drilled, the best disciplined, and the best educated." In other words, they want to be "Honor Company Plus."

This year A Company was named Company of the Week four consecutive times. It has also been the leader in winning SMI's and parades. Moreover, it boasts the highest academic average in the battalion.

Under the watchful eye of LTC Cook, tactical officer, CPT Walker, 1LT Wilson, 1SGT Adelman, 2LT Sweatman, and 2LT Easterling are leading Alpha to excellence. They will settle for nothing less than the best.
