

Band and Staff Company

Going the Distance

Through a major facelift, Band and Staff Company is headed for success. Under the capable leadership of MAJ Ronald P. Horn, tactical officer, CO CPT Todd Masi, XO 1LT Peter Engler, 2LT Kyle Hause, and 1SGT Matt Cooper, Band and Staff is now getting the recognition it deserves.

MAJ Horn and the company officers have struggled to make B/S a family environment. "We like to welcome anyone who wants to be a part of us," says CPT Masi, "and to create an atmosphere as homelike as possible."

B/S is very much in the competition for Honor Company recognition. They have sought to do their best in everything they do, from academics to military events. The seniors are confident that they are leaving the company in a position to do even better in 1998.

This is the end of an era for five-year B/S cadet Todd Masi: "I've seen Band and Staff go from the bottom to the top, and I am extremely optimistic about the future."
