Nixx Teasley prepares to power a goal shot as the Spartans watch hopefully.

Leading scorer Travis Lambright uses his superior skills to break down the defense.

The record of this year's soccer team belies its real achievement. "We had a very young and inexperienced group this season," said Coach Young, "but they improved as the season progressed. What I will remember most about this team is that they never gave up." The high point of the season was the victory over Asheville, a school the Spartans had never beaten before. Oddly, the team's only win was over a very tough opponent. Leading the offense was Travis Lambright with 15 goals. Team Captain Jason Adelman guided the defensive effort. Younger players making important contributions were BJ Edgar, Joe Lowdermilk, Matt Robinson, and Adam Garrett. The experience gained this season will propel the Spartans toward greater success next year.
