

# Dustin Cudd

Dustin,

May you be a man of compassion,  
set lofty goals and live high standards.  
Strive to see the best in others,  
Hear the voice of God in your life;  
He will lead you to your best self.  
Don't seek success—work diligently,  
be persistent; success will find you.  
Test yourself; dream big dreams.  
Flee life's enemies, compromise and apathy.  
May your life be a thrilling journey,  
as you invest your talent, your vision,  
and your love in building a better world.  
Realize that greatness is not what you  
do—it's who you are.

Our love always,  
Mom and Dad
