

Clint Houston Pressley

Clint,

Last year you took a small step backwards only to make a giant leap forward for your future success. You turned a "bad" situation into something "good." You wanted something and you made it happen! Remember, Clint, everyone has to make things happen in his life. Life has so much to offer you. Take advantage of all the opportunities life has to offer and you can go a long way. Always remember that God is with you. Keep your faith and eyes on God and he will direct you in the right paths in life.

*We Love You,
Mom & Dad*

This fall I will be privileged to attend Western Carolina University on an athletic scholarship, and I am grateful to the many people who have helped me get where I am: to my parents, who kept their faith in me and stuck my me all the way; to my brother Mike, who helped me keep my head on straight and stay out of trouble; to my friends, who believed in me and gave me encouragement; and to the CMA faculty and staff, who gave me another chance, along with care and concern, academic assistance, sound advice, and moral support. Special thanks go to Coach Boland, Colonel Orris, and LTC Austin. I am very grateful to all who have helped me realize my dream of playing college football.
