

# Gray Rapley Curry III

# Battalion Commander

Gray,

In the six years you have been at CMA, we have seen you come a long way . . . through soccer, wrestling, football, and band . . . from a boy to a young man. All we can say as your family is that you have become a leader and a wonderful man. We all love you so much and are extremely proud of you.

God bless you!  
With love from both of  
your families
