

Roberto Eduardo Cader

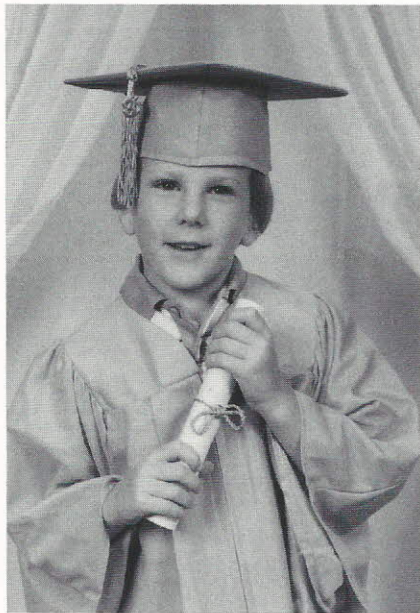

Congratulations, Roberto

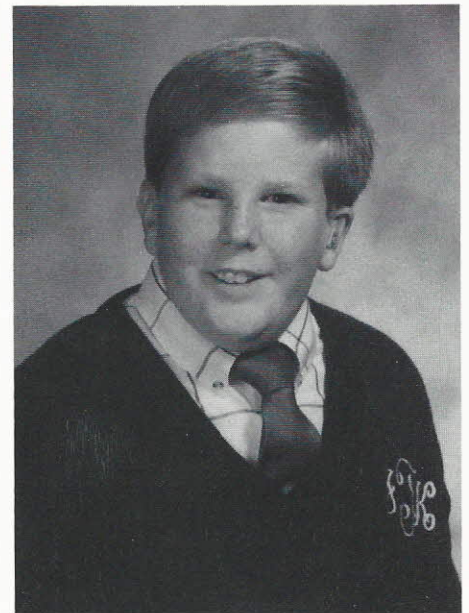

Your whole family is very proud of your accomplishments at Camden Military Academy. You have become a self-disciplined young man who applies himself to his studies, who takes responsibility for his own actions, and who is considerate of the needs of others. We look forward to your future success. Love, **Tito & Lupe, Roberto & Selina**

What happened to that tiny boy who brightened my every day?
He toddled off to nursery school to learn the worldly ways.
He sometimes stumbled along the way.
But smiled his trademark grin and kept the world at bay.

What happened to that tiny boy?
He is now a young man ready to step out into the world.
And as he continues to take his steps, I want him to know
That he has made me the proudest mom in the world.

**My love always,
Mom**
