## Battlin' Bravo

The 1999-2000 school term has been a period of smooth operations for Bravo Company. There have been no major upsets or staff changes. With the help of CSM Irtenkauf, tactical officer, cadets and company officers have pulled together to solve any problems that have arisen. "In my opinion," says Company Commander Dray DuPree, "tactical officers do not come any better than CSM Irtenkauf."

CPT DuPree, 1LT Brad Hunter, executive officer, and First Sergeant Brantley have worked hard to build a strong chain of command. "A strong chain of command," says 1LT Hunter, "brings stability to the company. Every company needs that." Adds 1SG Brantley, "We're turning boys into men."

Bravo continues to focus on its military objectives, and becoming Honor Company is its goal; but it does not let up there. The company continues to pursue academic excellence and participation in extracurricular activities. "Grades are improving," Says CPT DuPree, "and sports participation is high." Bravo always strives to excel.
