The CMA Soccer Team compiled its best record in recent years in 1999. "We wanted to show the players we have the talent and skill to win," said Coach Hewitt. "Hard work during practice and teamwork on the field eventually paid off, and when younger players began to challenge older ones for starting positions, the older players became more

competitive." Beating Shannon Forest was the highlight of the season, but the team actually played better in a couple of close losses. Winning awards were Kris Thapoung, MV Offensive Player; Tyson Young, MV Defensive Player; Jason Kennedy, MIP; Justin Shealy, Coach's Award; William Johnson, MVP.

Named Offensive Player of the Year, Kris Thapoung is known to some as the "Pele of CMA." His all-around play paced the Spartan offense this season.

Tyson Young, Defensive Player of the Year, demonstrated deft ball skills and was an effective goalie for the last two games of the season.

Always among the most aggressive players on the field, Justin Shealy earned the Coach's Award for his spirited play.

Racking up many saves this year, Will Johnson was outstanding on defense and won recognition as Most Valuable Player in 1999.

They're not dancing, but senior Ryan Hobby and the opposing player stride in unison toward the ball. Ryan was a dependable player for the Spartans.

Senior Travis Frieze makes another save. As a goalie and a utility player, Travis had an important spot on the CMA roster.

Known for his speed, Britt Walker boldly challenges the opposing goalie. Britt will return to bolster Spartan fortunes in 2000.

With his quick feet, senior Jigar Patel can move the ball downfield fast. He is also a reliable player on defense.

Kris Thapoung battles for the ball as Coach Hewitt and Chaplain Westbury observe the action.
