

Cross-country

Coach's Award winner Jonathan Kaylor will return to boost the Spartans' fortunes next season.

Maritime Military Academy has made scholarship inquiries about senior Justin Scholl, Most Valuable Runner.

Spartans: Jonathan Kaylor, Nick Blumer, Scott Myers, Billy Orris, Coach LePage, Justin Scholl

Most Improved Runner Billy Orris cut over ten minutes off times that he posted at the beginning of the season. The Spartans look forward to another fine performance next year.

Scott Myers never quit this season and was unsurpassed by anyone on the team for sheer determination.

With only one returning runner, 1999 was a rebuilding year for Spartan Cross-country. Anchored by senior MVP Justin Scholl and senior Coach's Award winner Nick Blumer, the Spartans ran well. Holding promise for the future, newcomer Billy Orris earned Most Improved recognition by cutting over ten minutes off his beginning time. Scholl received scholarship overtures from Maritime Military Academy. Other honors went to JA Kaylor, Coach's Award, and SW Myers, Backwards Award.

In spite of nagging injuries, senior Coach's Award winner Nick Blumer was a dependable performer all season.

Coach LePage checks his watch as Spartans Blumer, Scholl, Orris, Kaylor, and Myers warm up on the CMA track.
