The CMA Tennis Team had its best season in four years. The Spartans began to win whole matches against opposing teams, and the top four seeds approached a 50% mark against opponents. Noticeable achievements this season were Ted Grassi's two victories over the Camden High JV top seed, Andrew Cooke's outstanding performance against Governor's School in both doubles and singles matches, and newcomer Aaron Chapman's strong outings against Governor's School, Hammond, and Carolina Day. Next season's prospects look bright with top seeds Chapman and Francis Aull returning, along with several other promising players. Awards were given this year to Andrew Cooke, Most Valuable Player; Ted Grassi, Coach's Award; and Francis Aull, Most Improved Player.
