A solid Spartan JV Team went 5-3 this season and bolstered the winning tradition. With only one player returning, this was a "reloading" year. True cardiac kids, the team had one single-point loss at the buzzer, another in overtime, and a one-point win on the road at Lewisville. Only six points separated the Spartans from an undefeated season. The goals of the team this year were to teach the players to use proper individual skills in a structured team concept--to play fundamental, disciplined basketball--and to continue the winning tradition that has clearly emerged in the JV basketball program in recent years. "The Players worked hard and showed a lot of improvement over the course of the season," said Coach Horn. "Several of them have the ability to move up and contribute to the varsity next year."
