We are thankful to have been blessed with such a wonderful son. Where has time gone? It seems like yesterday you were starting kindergarten. We are proud of the wonderful person you have become. You strive every day to reach the goals you have set for yourself and we admire you for your ambition. You have been a real joy to watch as you have grown from a little boy to a man. We know you will go far in life. Keep reaching and all your goals will be yours.

With Love and Admiration,

Mom and Dad
