

James David Denman

I am no ordinary person,
No accident or mistake.
I have a destiny to fulfill,
A calling that cannot wait.
I am fearfully and wonderfully made
A very chosen one--
Alive with hope, filled with grace,
With a prize that's to be won,
A chosen generation, a royal priesthood,
A purpose I cannot miss, and
I was born James David Denman
for such a time as this.

We honor you, James.
Our love,
Dad, Mom, Lyle, Lake,
Patricia, and Jessica
