

Dan,

We hope you know how proud we are of you. Your senior year at CMA has provided you an opportunity to be successful. Your willingness to uproot yourself from family and friends was a difficult decision, but an admirable one. You are to be commended for paving the way toward a bright future. We knew you had the potential, but you alone made it happen.

The future will continue to offer you a variety of opportunities . . . choose them wisely. You are an impressive, bright, young man; you've enlightened our lives more than you could know.

We love you very much,  
Mom & Dad
