

The road to success is not straight.
 There is a curve called failure,
 A loop called confusion,
 Speed bumps called friends,
 Red lights called enemies,
 Caution lights called family.
 You will have flats called jobs.
 But if you have a spare called determination,
 An engine called perseverance,
 Insurance called faith,
 A driver called Jesus,
 You will make it to a place called success!

Peter Patrick Rooney

Always remember that I am just a phone call away . . . Love, Mom
