

Dear Stephen,  
 It seems like yesterday that I was finally getting my very own little brother. You were my pride and joy. I wanted to spend every minute with you, showing you off to all my friends. I am so thankful that God blessed me with such a loving brother. Jason and I have enjoyed watching you grow up, and we look forward to standing by you as you begin your future. Always remember that with God as your guide and with your family by your side, you can accomplish anything. I love you with all of my heart.  
 Love, Your Big Sis & Jason

Dear Colby,  
 It seems like only yesterday I was anxiously awaiting my new little brother. You were the most precious little baby boy, and as you have grown, your sense of humor and your adorable personality have added so much to our family. Jason and I have enjoyed watching you mature into a wonderful young man, and we know that you will continue on a path that will truly make you successful. Always remember to look to God first and follow Him in all that you do. We love and we are very proud of you.  
 Love, Your Big Sis & Jason
