

## David K Brown

It seems like only yesterday when we made the most difficult decision to send you to Camden Military Academy. With hundreds of miles and a blink of an eye we have watched you grow from a young boy into a fine young man. We know it has not been easy for you, but you have proven you have what it takes to meet your challenges and succeed. We are so very proud of all you have accomplished. You have a whole world of opportunities. Take your strong will, set your goals, and have a wonderful life. May God keep and bless you always. Congratulations, Son - you made it.

Love you always, Mom and Dad '02
