## The Military Tradition

Battalion strength now stands at five companies and a detachment. The growth of the Academy is a measure of its appeal to parents as an institution in whose care they can place their sons. The Academy has established itself as one of the leading military schools in the United States. Our reputation attracts students from around the world, and we are justly proud of our military tradition. For over thirty years our JROTC Unit has been designated "Honor Unit with Distinction." We graduate young men prepared to succeed in a highly competitive environment. Our alumni are leaders in every stratum of society, at home, and in other parts of the world. Military education is a valuable complement to the classroom, instilling discipline, order, teamwork, and self-respect. It completes the molding of the whole man.
