

# Band & Staff Company

## Out Front

Band and Staff Company is always the leader on the parade field and is a highly visible representative of the whole battalion. Therefore, it is constantly under pressure to be at its best. After a tentative start this year, the chain of command has a strong connection and is striving to win the Honor Company designation. Academics, however, still come first in the company. The chain of command tries at all times to maintain a quiet environment to promote study and solid work ethics. "Band and Staff has the best academics in the Battalion," according to 1LT Wayne Blackburn, executive officer. Company Commander David Hurt is pleased that the company has really started to work together to achieve greater goals: "The company is full of younger cadets, but they are learning their duties and responsibilities." Band and Staff is always out front and strives to be outstanding.
