

JV Basketball

With a talented group of starters and a deep bench, the JV Basketball Team chalked up its fourth winning season in a row. Hard work and dedication by all team members contributed to one of the most outstanding seasons in team history. Playing to a 13-1 record, the Spartans beat perennially strong Victory Christian School both times they faced the team. Several junior varsity players have the potential to move up and be key members of the varsity team next year. Winning awards this season were Fitz Lewis and Brandell McGill, Most Valuable Players; Adam Nation, Coach's Award; and Thomas Tannenbaum, Most Improved Player.
