

Golf

Like many other spring sports, the Spartan Golf Team was hampered by heavy rains early in the season. But as weather began to improve toward the end of the schedule, the sun began to shine for the Spartans in more ways than one. With the good weather, the team was able to practice every day. With the additional time on the course, scores began to come down consistently and the team began to win matches. All players showed steady improvement over the last part of the schedule and ended the season on a winning note. The Spartans finished their 2003 campaign with participation in the Kershaw County Shootout on their home course, White Pines, and finished third in a very strong field. Award winners were Patrick Williams, MVP; Scott Dailey, MIP; and Ben Bowles, Coach's Award.

Spartans: Thomas Hatcher, Scott Dailey, Patrick Williams, Ben Bowles, William Gardner (not shown: Casey Long)

Patrick Williams anchored the Spartans this season and earned Most Valuable Player accolades.

Doug Hatcher was a steady player who will help the Spartans in the future.

The longest hitter on the team, Scott Dailey has a powerful swing and earned Most Improved Player honors.

William Gardner is another player who will figure prominently in Spartan fortunes next year.

Following Coach Mobley's example, team members inspect and clean their clubs.

Senior Ben Bowles exemplified the competitive spirit all season and won the Coach's Award.
