

JV Basketball

Playing one of its most difficult schedules ever, the JV Spartans completed their fifth winning season in a row. Their forte was strong pressure defense, which helped earn them quality wins over Marlboro County, Laurens Charter, and the Australian Touring Team. As in past years, Coach Horn's goal for the season was for the players to learn fundamental team concepts while conducting themselves with character both on and off the court. Key contributors were Lance Jordan, Thomas Tannenbaum, Logan Rostmeyer, Trevor Babcock, and Morgan Johnson at guards with Travis Isaacs, Isaiah Campbell, Jahmal Holmes and Taylor McClure playing "big" in the front court. Chris Desouza, Xavier Valentin, and Joseph Satterfield provided strong support off the bench.
