

Ernest J. Mungo

I am a very special person. I could become your best friend, financial adviser, nurse, and decision maker, but for now I am your child.

*I need:
fresh air,
sunlight,
vitamins,
encouragement,
your patience,
moral and spiritual
instruction,
and love—
each day.*

*If you do your
part (now) I will be
well prepared and you
will be well pleased
when it becomes time
for me to do my part
(later).*

Sincerely,

Ernest

P. S. If you are not pleased with this report, let's work more closely for the next 13 years (K-12).

God brought you this far.

Love,

Dad, Mom, Vone, Chris, Sandy, & Pam
