"With four seniors this year, our bowling team is by far the best that CMA has ever had," observed Coach Ferjani. The bowling team's goal this year was to achieve an average per bowler that will allow them to participate in the State Bowling Tournament. Five bowlers out of nine--Gilman, Markey, Rostmeyer, Southard, and Lee--have been bowling well above the average score required for the state tournament. High scorers and team leaders this season are Rostmeyer, Gilman, and Markey.

Kyle Markey hits the lane with a smooth delivery.

Julian Conrad guides his ball down the lane.

Chris Southard gets the right rotation on the ball.

Setting the pace for the Spartans this year is Logan Rostmeyer.

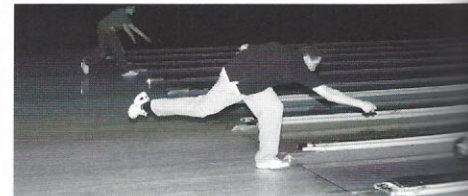

Heating up the boards is Kyle Gilman, who is also a high scorer this season.
